Translation of letter: Dear Wife and Walter ! Yesterday i received your letter of August 17 and now i have short

time to answer you, because I have to go on patrol in 30 minuts. **Your lines have made me very angry ! What you wrote about this Landsberger is unbelievable ! for his statements, this rascal should be put on trial !!! Have other people heard that ? That is people treason and for it even the death penalty stands ! Who is defending the Jews in present time and present situation, is quite clearly against the Fuhrer, the fatherland and every single soldier who just stands at the front or has lost his life ! Such a person must not get off scot free.** Please write everything down to me in detail. I want every single sentence that Landsberger said ! I will keep silence about your letter. I dont believe that Landsberger simply should get away. Dear..I am well, Healthy & I hope the same for you & Walter. My thoughts are with you every day ! Fingers crossed that the Lord God will let me come back to you soon ! Greeting and Kisses to you & Walter. The original cover is torn on top & without back flap. The letter is in very good condition.
